1. Leandro BARRIOS, Paraguayan Communist Party (PCP) delegate to the 1952 Peace Congress in Vienna, is the only Paraguayan known to have been designated to attend the opening of the Moscow State University at Lomonosov.
2. BARRIOS' exact duties as an active worker for, and representative of, the PCP are not known. However, in addition to whatever other Communist work he may be engaged in, he apparently is a sort of roving delegate, and is believed to have attended various other Communist-sponsored gatherings in Europe during the past several months.²

1. Comment. It is believed that BARRIOS has remained in Europe since that time.
2. Comment. To date the PCP is not known to have designated anyone to attend the World Conference of Scientists in conjunction with the Moscow University celebration, and, so far as is known, no invitations have been received by local scientists or Communists.
